

## Instructions for your MU Email

1. Go here: <http://mail.missional.university>
2. Enter your username (which is your MU email address, like [cwatke@missional.university](mailto:cwatke@missional.university))
3. Enter this temporary password (please change it): Jesus2016!

You now have your own MU G Suite Email account!

All of your previously existing email addresses will be added to your account some time in the next 24 hours. Once you see that your old emails have all arrived, please email John Gartrell at [jgartrell@missional.university](mailto:jgartrell@missional.university) to let him know that the email migration was successful.

We will be setting up some training for those who desire to learn more, but here are some other things you can do:

1. Missional University Calendar: <http://calendar.missional.university>
2. Missional University Google Drive storage: <http://drive.missional.university>
3. Missional University intranet websites: <http://sites.missional.university>
4. Missional University Groups: <http://groups.missional.university>
